

SUPPLEMENTAL DECLARATION

As the below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated next to my name;

I believe that I am the original, first inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled:

**“METHOD AND SYSTEM FOR ENABLING COLLABORATION BETWEEN ADVISORS
AND CLIENTS”**

the specification of which was filed on June 8, 2001 as U.S. Patent Application Serial Number 09/877,926.

I have reviewed and understand the contents of the above-identified specification, including the claims;

I acknowledge the duty to disclose to the U.S. Patent and Trademark Office all information which is known to me to be material to the patentability of said invention in accordance with 37 C.F.R. § 1.56;

I do not know and do not believe said invention was ever known or used in the United States of America before our invention thereof, or patented or described in any printed publication in any country before my invention thereof or more than one year prior to said application; that said invention was not in public use or on sale in the United States of America more than one year prior to said application; that said invention has not been patented or made the subject of an inventor's certificate issued before the date of said application in any country foreign to the United States of America on any application filed by me or my legal representatives or assigns more than six months prior to said application;

I hereby claim the benefit under 35 U.S.C. §119(e) or §120 of any United States application(s) listed below:

60/210,460	09 June 2000
(Application Number)	(Filing Date) (day, month, year)
09/732,008	08 December 2000
(Application Number)	(Filing Date) (day, month, year)

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
